Sir:

OFFICE OF PETITIONS

The status of the applicant's assignee as a small entity was established in good faith during prosecution of the above-identified patent.

It has been later discovered that through error the Patent Office was not notified of a loss of entitlement of the applicant's assignee to small entity status as required by 37 CFR 1.27 (g)(2).

The applicant's assignee hereby requests that the Office accept payment of the issue fee for the above-identified patent at the large entity rate.

Accordingly, a check in the amount of \$705.00 for the difference between the small entity fee paid and the actual large entity fee owed is enclosed herewith.
